

NATURAL VENEER

If you're looking for a basic, natural look, pure wood is an obvious choice. The grain of the wood is fully visible, enhancing the chair's organic forms. This traditional finish makes the chair extremely robust.

Comes in 9 types of veneer.

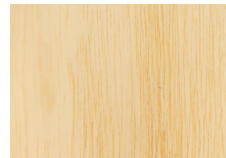

Please note that each wood has it's unique own pattern.

MAPLE 10

BEECH 20

ASH 30

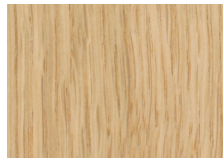

CHERRY 40

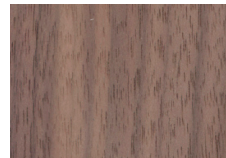

OREGON PINE 50

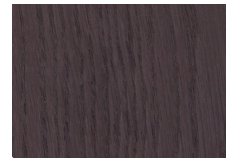

ELM 60

OAK 70

WALNUT 80

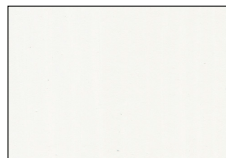

DARK STAINED OAK 90

COLOURED ASH

Coloured ash exhibits raw power with its hardwearing finish. It differs from the lacquered version in that the grain of the wood is clearly visible, providing the chair with an organic and authentic look.

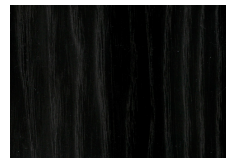

Coloured ash comes in 12 colours.

WHITE L 105

NINE GREY L 155

BLACK L 195

AL BLUE L 885

TRIESTE BLUE L 845

HÜZÜN GREEN L 945

EGYPTIAN YELLOW L 455

CHEVALIER ORANGE L 525

OPIUM RED L 665

CHOCOLATE MILK BROWN L 365

ALTSTADT ROSE L 625

EVREN PURPLE L 595

LACQUERED

If you want the colour to really stand out, then lacquer is the thing. This finish gives the chair a uniform, silky soft surface with no wood grain visible.

Lacquered comes in 12 colours.

WHITE L 100

NINE GREY L 150

BLACK L 190
