

# VISU CHAIR SLED BASE

**MIKA TOLVANEN ON THE DESIGN** “The idea for the Visu Chair was to create an elegantly simple interpretation of the archetypal wooden chair. I wanted for the design to have a subdued and timeless character that would add feelings of modern familiarity to any room together with a comfortable seat in form-pressed veneer. Designing the chair as a family that were all aesthetically linked yet could be used for different functions was a study in adapting a design to its surroundings and a process that lasted nearly two years. The Visu Chair is a new perspective on the traditional wooden chair, echoing the ideas of Scandinavian design together with a modern expression.”

#### DESCRIPTION

Bringing lightness into design, the Visu Chair Sled Base combines a simple and comfortable form with a quiet silhouette. The shell is rendered in form-pressed veneer with a water-based lacquer while the base is made in powder coated steel. The Visu Chair Sled Base is stackable up to 15 non-upholstered chairs.

#### PRODUCTION PROCESS

Shell is formpressed from wood veneer, then lacquered. If specified, then padded with fire-resitant foam and fully upholstered with textile. Steel sled base is CNC-bent and powder-coated (colored versions) or in brushed steel finish.

#### MATERIAL

Non-upholstered colored versions: Shell in form-pressed veneer shell in water-based lacquer and Sled Base in powder-coated steel. Upholstered version: Shell is made in form-pressed veneer with foam and fully upholstered with textile or leather. Sled Base in powder coated steel.

#### CLEANING AND CARE

Clean on a regular basis using a damp and clean cloth. Remove stains using a mild mixture of water and detergent. Avoid contact with sharp objects as these can leave scratches in the wood and lacquer.

For upholstery versions, please find specific cleaning instructions for your chosen textile at [kvadrat.dk](http://kvadrat.dk)

For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products.

#### SPARE PARTS

Plastic glide and felt glide included.

#### MADE-TO-ORDER
